Sleep Wellness Center

get your zzzzzzz

The sleep professionals at Sleep Wellness Center thank you for your continued business. We are coming to the end of another year, and we would like to remind you that it may be a good time to consider ordering CPAP supplies.

Properly maintaining your device and keeping your equipment up to date is the best way to ensure that your therapy remains comfortable and effective. A worn mask, loose headgear or a clogged air filter can reduce the comfort and effectiveness of your therapy.

In addition to reminding you about your CPAP therapy equipment, we also wanted to share with you that we have a new business name, "Sleep Wellness Center by Winmar Diagnostics". The same personal, comprehensive care you have come to appreciate at our facility remains unchanged; we have simply chosen to change our name so more people understand who we are and what we do. Our focus remains unchanged and we will continue to help you find the restful sleep you need to maintain a healthy lifestyle.

Below is a "guide" to help you decide if new supplies are in order. You can order by either calling our office at (701) 235-7424 or (800) 962-8145 or by sending the order in by mail in the envelope provided. If you are not sure when you last replaced your equipment or if you are eligible for replacement supplies, please feel free to call and we would be happy to help you.

PRODUCT	REPLACEMENT SCHEDULE
Mask (includes seal)	1 per 3 months
Full Face Seal replacement	1 per month
